

OUR LOBBIES ARE TEMPORARILY CLOSED

For the protection of our employees and the public during the Coronavirus (COVID-19) pandemic, The Halstead Bank will temporarily close our lobbies beginning Thursday, March 19, 2020. We will continue to support all customers through our drive-thrus, ATMs, and our digital banking tools. If you haven't already done so, please enroll in online banking and download our mobile banking app so you can bank from the comfort and safety of your home.

If you need to get into your safe deposit box or visit with an officer, please call the branch to make an appointment. You can also stay in close contact with your banker via phone or email instead of meeting in person.

Our guiding principle remains the safety of our employees, our customers, and our communities.
