### What Else You Should Know

- A link to another account or a line of credit is a less expensive option than an overdraft. A single larger overdraft will result in just one fee, as opposed to multiple smaller overdrafts.

- Even if you have overdraft protection, Overdraft Privilege is still available as secondary coverage if the other protection source is exhausted.
- Good account management is the best way to avoid overdrafts. Use our mobile banking, Internet banking, and telephone banking services to keep track of your balance.
- The \$30 Overdraft Fee is the same fee that would be charged if a check was returned as unpaid. If multiple items would overdraw your account on the same day, each item would be assessed an appropriate Overdraft Fee or a Return Item Fee of \$30. All fees and charges will be included as part of the Overdraft Privilege limit amount. Your account may become overdrawn in excess of the Overdraft Privilege limit amount as a result of a fee.
- There is a limit of 10 Overdraft Fees (\$300) per day we will charge.
- We post items in the following order: 1) credits, 2) ATM and debit card transactions (in the order received), 3) ACH debits (low to high by dollar amount, 4) checks (check number order). The order in which transactions are posted may impact the total amount of Overdraft Fees or Return Fees assessed.
- Although under payment system rules, The Halstead Bank may be obligated to pay some unauthorized debit card transactions, The Halstead Bank will not authorize debit card or ATM transactions unless there are available funds (including Overdraft Coverage Options) to cover the transactions and any fee(s).
- Giving us your consent to pay every day debit card and ATM overdrafts may result in you incurring Overdraft Fees for transactions that we would otherwise be required to pay without assessing an Overdraft Fee. However, this would allow us to authorize transactions up to the amount of your Overdraft Privilege limit and may also help you avoid overdrafts in excess of your available funds that could result in restriction of your debit card.
- Except as described in this letter, The Halstead Bank may not pay items if your account does not contain available funds (including the Overdraft Privilege limit) to cover the item(s) and the amount of any fee(s).
- We may restrict your debit card use if you incur overdrafts in excess of the available funds in your account, including any Overdraft Privilege limit.
- The Halstead Bank will place a hold on your account for any authorized debit card transaction until the transaction settles (usually within two business days) or as permitted by payment system rules. In some cases, the hold may exceed the amount of the transaction.
- An Overdraft Privilege limit of up to \$1,000 is available for eligible Personal and Business Checking accounts at account opening.
- Overdraft Privilege is not a line of credit; it is a discretionary overdraft service that can be withdrawn at any time without prior notice.
- Overdraft Privilege may be discontinued if you default on any loan or other obligation to us, your account becomes subject to any legal or administrative order or levy, or if you fail to maintain your account in good standing by not bringing your account to a positive balance within 31 days for a minimum of one business day.
- Depositor and each Authorized Signatory will continue to be liable, jointly and severally, for all overdraft and fee amounts, as described in the Deposit Account and Disclosure Agreement. The total (negative) balance, including all fees and charges, is due and payable upon demand.
